j. Corporate and Bank Guarantees

We draw attention to Note 12 of the Statement, which contains details of corporate guarantees provided by the Company for its subsidiaries. Due to legacy issues inherited from erstwhile management, the company is not having sufficient evidence regarding recognition of fair value of the estimated loss allowance on corporate and bank guarantee given by erstwhile management on behalf of its subsidiary Ansal API Infrastructure Limited amounting Rs. 24,120 lakhs as on 31st March 2025 and amounting Rs. 2,359 lakhs as on 31st December 2024 for its subsidiary Ansal Hi-tech

Townships Limited, as required by Ind AS 109, 'Financial Instruments'. We are therefore unable to express an opinion on the fair value of estimated loss allowance on corporate and bank guarantee.

k. Outstanding balances pending for Reconciliation/Confirmation

Balance of amounts due to/ from trade receivables, trade payables (including MSME Vendors), borrowings, advance received from customers, advance to suppliers, security deposits, other loans and advances, advance for purchase of land, inter corporate deposits and other assets are pending for reconciliation / confirmation. The overall impact of the above and the consequential impact of same on Standalone Financial Results are not ascertainable and hence, we are unable to express an opinion on the same.

I. Reconciliation of advance received from Homebuyers

Advance received from homebuyers and trade receivables are pending for reconciliation / confirmation. In view of absence of the reconciliation, we are unable to express an opinion on the consequential impact of same on Audited Standalone Financial Statements.

5. Material Uncertainty on Going Concern

The accumulated losses of the Company as on March 31st, 2025, is Rs. 3,15,470.41 lakhs (these accumulated losses were partly due to the reversal of earlier profits of Rs. 1,17,518.87 lakhs in retained earnings as at April 1, 2018 by the Company on adoption of Ind AS – 115 "Revenue from Contracts with Customers" with effect from April 1, 2018). As at March 31st, 2025, the accumulated losses exceed the share capital and free reserves of the Company, which have resulted in erosion of its net worth, and the current liabilities exceed current assets by Rs. 2,23,483.34 lakhs. Negative Networth and liquidity issues may have some impact on the Company's ability to continue as a going concern.

Further, we draw attention to Note no. 1 & 2 of the Statement regarding the initiation of CIRP in respect of the Company under IBC and related matters. As such, management and operations of the company are managed by RP on a going concern basis as per provisions of IBC. Further, based on future cash flows, the Standalone Financial Statements of the company have been prepared on going concern basis, but the outcome of events and processes initiated under CIRP cannot be presently ascertained including matters also listed hereinbefore. The company's ability to remain as going concern depends on the outcome of CIRP. Therefore, these events indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. Our conclusion is not modified in respect of above stated matter.

Management's Responsibilities for the Financial Results

6. These standalone results have been prepared on the basis of the standalone annual financial statements. The management of the Company is responsible for the preparation and presentation of the Statement that give a true and fair view of the loss and other comprehensive loss and other financial information of the Company and the statement of assets and liabilities and the statement of cash flows in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with

Page **5** of **7**

02371

relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of the statement, as aforesaid.

- 7. In preparing Statement, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- 8. The management is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

- 9. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.
- 10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
 is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to these financial results, in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the managements' use of the going concern basis of accounting
 and, based on the audit evidence obtained, whether a material uncertainty exists related to events or
 conditions that may cast significant doubt on the Company's ability to continue as a going concern. If

Page **6** of **7**

we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial results, including the
 disclosures, and whether the financial results represent the underlying transactions and events in a
 manner that achieves fair presentation.
- 11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
