Independent Auditors' Review Report on the Quarterly Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review report to
Ansal Properties & Infrastructure Limited

1. We have reviewed the accompanying standalone financial results of **Ansal Properties & Infrastructure Limited** (the "Company") for the quarter ended 31st December, 2022 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Chief Financial Officer and Company Secretary of the company, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. **Basis for Qualified conclusion:**
 - a) We draw attention to Note 15 (i) of the accompanying Statement, the Company has borrowings from certain banks which have been classified as non-performing assets ('NPA borrowings') and those from certain other banks/ asset reconstruction company (together referred to as 'the Lenders'). The Company had entered into settlement agreements ('Settlement Agreements') with some of these Lenders for the aforesaid loans. As described in the said note, the Company has delayed the payments in respect of the instalments due to these Lenders pursuant to the relevant loan agreements and Settlement Agreements. In respect of the afore mentioned NPA borrowings and delayed payments under the Settlement Agreements, the Company has not recognised interest for the period April 2022 To December 2022 aggregating to Rs. 3,123.16 lakhs payable under the terms of the said agreements, as estimated by the management on the basis of expected re-negotiation with the Lenders.

We further report that, if the observations made by us in para (a) above been considered, the total comprehensive loss for the year would have been Rs. 10,623.16 lakhs (as against the

Page 1 of 5

7

reported figure of total comprehensive loss of Rs. 7,500 lakhs), current financial liabilities would have been Rs. 37,634.65 lakhs (as against the reported figure of Rs. 34,511.49 lakhs).

5. Qualified conclusion

Based on our review conducted as above, except for possible impact of matters stated in "Basis of Qualified conclusion" above, nothing has come our attention that causes us to believe that the accompanying Statements, prepared in all material respects in accordance with the applicable Indian Accounting Standards (Ind As) prescribed in Ind AS 133 of the Act, read with Rule 7 of Companies (Accounts) Rules 2014 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Listing regulations, as amended, including the manner in which it is to be disclosed, or that it contain any material misstatement.

2. This Statement, which is the responsibility of the Parent's Management and approved by Chief Financial Officer and Company Secretary of the company, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 (the Act), read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, as amended, to the extent applicable.

4. The Statement includes financial results of the entities as referred in Annexure – A attached.
5. **Basis of Qualified Conclusion:**

In respect of the afore mentioned NPA borrowings and delayed payments under the Settlement Agreements, the Company has not recognized interest for the period April 2022 To December 2022 aggregating to Rs. 3,123.16 Lakhs in respect of the Company and Rs. 441.06 Lakhs of Ansal hi Tech Township Limited (AHTL) and Rs. 1,534.04 Lakhs of Ansal API Infrastructure Limited, in respect of subsidiary Companies payable under the terms of the said agreements, as estimated by the management on the basis of expected re-negotiation with the Lenders.

We further report that, if the observations made by us in para (a) above been considered, the group share of consolidated loss for the quarter ended would have been Rs. 16,354.26 lakhs as against the reported figure of group share of total comprehensive loss of Rs. 11,256 lakhs.

6. **Qualified Conclusion**

Based on our review conducted as above, except for possible impact of matters stated in Para "Basis of Qualified Conclusion" above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in all material respects in accordance with the applicable Indian Accounting Standards (Ind-AS) prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of the Listing Regulation including the manner in which it is to be disclosed, or that it contains any material misstatement.
