Notes:	List of Creditors of Ansal Properties and Infrastructure Limited dated 22nd July 2025 remains subject to following -
1	There have been many instances where a deposit holder has filed a claim in the category of homebuyer and vice versa. We have accordingly treated such claims according to supporting documents provided.
2	**Verification of Claims:**
2.1	The claims admitted in the list are provisional and they may go under change.
2.2	The verification of claims is being conducted based on the data available in the Customer Relationship Management ("CRM") system to the extent such data has been made available to the RP.
2.3	Any duplicate or multiple claims filed in respect of the same unit/account have been rejected and the latest claim has been verified.
2.4	In cases, where the records maintained in the CRM system do not exactly match the details provided in the claim form, such claims have been kept under verification for the time being. A further detailed analysis will be conducted to validate these claims before any final determination.
2.5	Homebuyers claims are admitted as per bank receipts reflecting in the collection reports (books of accounts) of the Corporate Debtor. The RP may need any further information for verification of such claims.
2.6	Submission of false or misleading proofs of claims shall attract rejections as well as penalties.

2.7	Any claim pertaining to units which are irregular, illegal, unauthorised, or falling outside the scope of the approved DPR (Detailed Project Report), admission of such claims shall remain **subject to further verification, legal scrutiny, and outcome of appropriate legal proceedings**.
2.8	The company has been undergoing a complete transition of its ERP system from Oracle to Far Vision over the past two and a half years. However, due to various operational and administrative challenges, the transition has not been fully implemented. As a result, the claimant related data is scattered across multiple platforms and is not consolidated in a single location. This fragmented data structure is causing significant delays in the claim verification process, making it time consuming to identify and verify the correct claim amounts with accuracy and precision.
2.9	The delay in finalising and releasing the updated list is due to ongoing investigations, assistance to various authorities (local police, ED, Income Tax, LDA Forensic Audit, SFIO), and seizure of file rooms, which has restricted access to customer files.
3	**Additional Information from Claimants:**
3.1	The RP may seek additional information, documents, and clarifications from the respective claimants to ensure a fair and accurate assessment of claims.
3.2	Claimants are required to provide any supplementary details as may be necessary for the verification process.
4	**Compliance with the Insolvency and Bankruptcy Code and CIRP Regulations:**
4.1	The verification and admission of claims are subject to compliance with the provisions of the Insolvency and Bankruptcy Code, 2016 ("Code") and the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 ("CIRP Regulations").
4.2	This list pertains to claims received till 26th May 2025 i.e. till 90th day of insolvency comencement date as per regulation 12 of Insolvency and bankruptcy board of India (INSOLVENCY RESOLUTION PROCESS FOR CORPORATE PERSONS) regulations, 2016. The Claims received after 26th May 2025 shall be updated in the list of creditors after taking due recommendation from CoC members for condonation of delay in filing of late claim followed by approval from hon'ble NCLT.
5	**Directions from NCLT and Higher Courts:**
5.1	The published list is subject to any further directions or orders that may be issued by the Hon'ble National Company Law Tribunal ("NCLT"), the Hon'ble National Company Law Appellate Tribunal ("NCLAT"), or any other higher judicial authority
6	**Observations from Transaction and Forensic Audit:**
6.1	The final determination of claims shall be subject to findings and observations of any ongoing or future transaction audit and/or forensic audit, as applicable.
7	**Review of Adjustments in CRM Software:**
7.1	The RP shall conduct a detailed examination of any adjustments, modifications, or anomalies captured in the CRM software, which may impact the admissibility and quantum of claims.
8	**ZERO value claims:**
8.1	We are in receipt of claims with zero value, with request for possession and registration. Since these are zero value and shall not have any voting right as well as shall not be entitled to any money or refund, these claims have been kept in a separate list.
8.2	The homebuyers who have offer for possession as per books of accounts of corporate debtor have also kept in the Zero amount list.
9	**Related Party Status:**
9.1	The claimants who have not disclosed their related party status in their claim forms shall not be given voting rights until they clearly disclose such status in the claim form.
9.2	The claimants who have mentioned related party status as "Yes" shall not be given voting rights.
10	**Diligence on Title and Ownership of Property:**
10.1	The claims related to properties or assets shall be subject to independent due diligence to verify the legal title, ownership status, and authenticity of documents submitted by the claimants
10.2	Further it is to be noted that the RP shall update and publish the revised list of creditors from time to time based on the verification and assessment of existing claims, as well as any new claims filed by the claimants during the Corporate Insolvency Resolution Process ("CIRP"). Certain claims are currently under further verification, and the claim amounts reflected in the published list may be subject to modification based on the outcome of the verification process. Further, there has been major loss of data with in few days of insolvency commencement date, wherein, all emails of all employees have been lost/compromised including historical data, this has caused huge inconvenience to the process, thus affecting the receipt of information from the employees of the company, nevertheless, the IRP team has endeavoured to find alternates, and will publish the updated version of list from time to time.
10.3	The corporate debtor has been subjected to Income Tax Search and Seizure as well as Search procedure by Enforcement Directorate recently. Consequently, the staff and as well as RP team spent lot of time complying with the directions from these authorities and supplying them the requested information. Consequent to Income Tax Search and Seizure, certain CRM files were taken away by authorities and the record rooms at Lucknow has been sealed. All this combined at significant impact on the claim verification process in terms of timely verification.
11	This above notes are issued in the interest of transparency and should not be construed as a final determination of any claim. The IRP reserves the right to make further modifications, inclusions, or exclusions to the list of creditors based on ongoing verification and legal compliance, and reserves all legal remedies available in accordance with law.
12	The Resolution Professional reserves a right to reverify the admitted amount based on additional documents including but not limited to details/information received from RERA or any other statutory authority.
13	**Submission of Queries**
13.1	If any claimant has any query with respect to their claim, he/she may reach out to RP through submission of Google Form only. Link of Google Form - **https://forms.gle/nttdG67yEBAoxxmh6**
